Do you sometimes get frustrated with the introverts or extroverts in your world?

It's true — opposites attract, but their success depends on how they interact. In this engaging and interactive webinar, Jennifer Kahnweiler, the “Champion of Introverts” and author of *The Introverted Leader* and *Quiet Influence*, will show you how to turn frustration into an incredible collaboration that yields long lasting results.

#### About our Speaker:

Jennifer B. Kahnweiler, Ph.D., Certified Speaking Professional is a bestselling author and global speaker. In addition to *The Genius of Opposites* she has written two bestselling books about introverts, *Quiet Influence* and *The Introverted Leader*, which have been translated into 14 languages. Jennifer has worked with hundreds of organizations including Freddie Mac, GE, AT&T, NASA and Boeing. She is a highly regarded faculty member of the American Management Association and has been featured in *Forbes*, *Fortune* and *The Wall Street Journal*. As a sought after keynote speaker and seminar leader, she is the leading global authority on helping introverts and extroverts to create the extraordinary at work.
